I came here because of the money but...
What exactly is this...?
This is a Yakuza gathering isn't it...
It's not just a yakuza gathering
Eh?
What's here is. If there's the yakuza leaders, there are also wagakashira* bitween even the bottom ranks.
It's a gathering of people who surpass social classes, that share the same purpose
Purpose?
Is that like terrorism or?
* leader of henchmen in crime syndicate, like a head subordinate. Not sure if there's a proper term for this in English

I don't know what they're plotting or what their aims are but,
It's definitely a secret society of yakuza that can't show their faces...
That kind of feel
Secret society of Yakuza...?

But, even so we can still hear sensitive conversations can't we?
That's why, to not reveal their faces, our eyes are covered like this no?
T-that.. Is it really alright for outsiders like us to sit in on a secret meeting like this..?
SFX: Gulps
!
If not, hell would be waiting for you
Never talk about it with outsiders..
Just forget everything you hear here..
Eeh?
Eeeeh~...
It's a story I heard here before, of this boastful girl Strawberry
A story of her fucked by a guy with a tie till her spirit is gone...
